Still Water

Sohat Mineral Water 33 CL	5,000 LBP
Sohat Mineral Water 1L	7,000 LBP

Sohat is a Lebanese brand of mineral water that is the leading brand of bottled water in Lebanon with a %35 market share. The water is light and crisp with low mineral content and almost no sodium at all. Sohat water is bottled from the Falougha source at an altitude of 1,710 meters in Mount Lebanon. The area of the source, which is 100,000 m2 is a protected environment to maintain the purity of the water. The water of the source is purified by passing through various geological layers, starting with the melted snow that seeps through the permeable soil, then reaches a deep and impermeable layer where it is stored before spurting up to the surface through natural fissures.

Acqua Panna 0.75L	10,000 LBP
-------------------	------------

Acqua Panna takes its name from the Villa Panna in the hills of Tuscany, where the natural spring was first discovered. In the 16th century the powerful ruling family of the Medici's in Florence, owned the spring and it was fenced off as private property. Its source is located 3,700 feet high in the Apennine Mountains of Tuscany, to the north of Florence.

Evian Water 50CL	8,000 LBP
Evian Water 1.5L	11,000 LBP

The origins of evian® Natural Mineral Water date back thousands of years to the very birth of the French Alps. Over several ice ages, a natural filter developed, creating a one of a kind haven for the planet's most precious treasure

Sparkling Water

San Pellegrino 0.75 CL	13,000 LBP
------------------------	------------

It has been bottled for over 600 years at San Pellegrino Terme in the Province of Bergamo, Lombardy, Italy. Leonardo DaVinci is said to have examined San Pellegrino's water in 1509. The springs are located at the foot of a Dolomite mountain wall, where the water soops through limestone and volcanic rocks to depths of over 700 meters (1,300 ft).

Perrier 200 ml	8,000 LBP
----------------	-----------

Elegant, sparkling and refreshing. PERRIER Sparkling Natural Mineral Water has delighted generations of beverage seekers for over 150 years, with its unique blend of distinctive bubbles and balanced mineral content. Originating in France, its effervescent spirit is known worldwide. It also offers a great alternative to carbonated soft drinks, with no sugar and zero calories. PERRIER is thirst-quenching on its own, but its crisp carbonation makes it the perfect partner for cocktails and drink recipes. It's the ideal at-home or on-the-go beverage, making it a refreshing choice for every day.

“Water is the driving force of all nature”
